Annual Day at JMJ Primary School - Madhapuram

The Annual Day celebration at JMJ Primary School was a truly unforgettable experience one that filled the hearts of everyone present with pride, joy, and inspiration. As the Principal for the event, I had the unique privilege of witnessing the extraordinary talents, boundless energy, and heartfelt efforts of our students, teachers, and staff.

From the moment I walked into the school, I was struck by the vibrant atmosphere. Though modest in size, the school radiated a spirit of creativity and potential that reminded me of the grandeur of Ramoji Film City. Just like a film city transforms imagination into reality through teamwork, JMJ Primary School thrives on collaboration, passion, and a shared vision for excellence.

Every performance was a testament to our students' dedication and the countless hours of preparation behind the scenes. From choreography and costumes to music and stage presence the attention to detail was incredible. But beyond the aesthetics, what truly stood out was the discipline, teamwork, and unity that brought each performance to life. Our students weren't just showcasing talent; they were embodying values that will guide them far beyond the classroom.

The celebration was more than a display of talent it was a reflection of the school's commitment to holistic education. It was evident that our students are being nurtured not only in academics but also in character, confidence, and leadership. The guidance of our teachers and the support of our staff play a vital role in shaping these young minds into future leaders who will carry forward values of kindness, creativity, and integrity.

I left the event with a heart full of gratitude and hope. The energy, enthusiasm, and potential I witnessed assure me that the future is bright for each of our students. With the strong foundation they are building at JMJ Primary School, there are no limits to what they can achieve.

Let us continue to celebrate and support their dreams because here at JMJ, the stage is set, and the stars are already shining.

"A Quarter Century of Grace: Walking Hand in Hand with God"

As I reflect on my 25 years of service in the Congregation of Jesus Mary Joseph, my heart overflows with gratitude for the countless blessings God has lovingly poured into my life. What began as a simple "yes" to His call has unfolded into a sacred journey one shaped by grace, nurtured by faith, and sustained through love.

These years have been a tapestry of transformation, woven with both joys and trials. Each experience, whether light or shadow, has deepened my trust in God's providence and drawn me ever closer to His heart. I have learned that in both silence and service, His presence is near guiding, shaping, and renewing me.

The unwavering faith and dedication of my fellow sisters have been a light along this path. Their quiet strength, compassionate service, and joyful witness to Christ have inspired me deeply. Together, we have shared laughter, tears, prayer, and purpose each moment a reflection of God's love alive in community.

I am profoundly grateful to my provincial team, whose wisdom and encouragement have been anchors throughout my spiritual and personal growth. Their guidance has helped me navigate seasons of discernment and renewal, always pointing me back to God's greater plan.

To all those mentors, companions, family, and friends who have walked alongside me, prayed for me, and believed in me, I offer my heartfelt thanks. Your love has lifted me when I faltered and reminded me of the joy found in giving oneself fully to God.

As I look ahead, my heart is filled with hope. I know that the One who called me will continue to lead me. With His grace as my compass, I step forward in faith ready to serve with compassion, to love without counting the cost, and to live each day as an offering of praise.

To God be the glory, now and forever.

"A Tapestry of Grace:
Fifty Years in His Embrace"

Fifty years ago, the gentle whisper of the Lord
touched my heart...
And I said "yes," not knowing where
the journey would lead
Only trusting the One who called me by name.
Today, as I look back on this sacred path
in the Congregation of Jesus Mary Joseph,
My heart bows in awe before the goodness of my God.
He has been my Light in darkness,
My Strength in weakness,
My Joy in the ordinary,
And my Peace in every storm.

Through the seasons of mission and ministry,
In the quiet of prayer and the rhythm of community life,
He has shaped me, stretched me, and sustained me.
Each step a grace.
Each moment a miracle.
To the many hands and hearts who walked with me
My superiors, formators, companions, and dear animation teams
Thank you.
You were the gentle echoes of God's love along the way.
Your wisdom, support, and presence have been blessings beyond words.
To my beloved JMJ family thank you for the gift of belonging.
Together, we have lived the mission, carried the cross,
And rejoiced in the Risen Lord.
As I celebrate this golden milestone,
I lay down my life once again at His feet
Grateful, surrendered, and renewed.
All that I am, all that I have, is His.
"To God, who has done great things for me, be all glory, honor, and praise!"

Special thanks to Rev. Fr. S. Praveen, whose tireless coordination made this convention a great success. I am deeply grateful once again to Sr. Pauline and the Council for entrusting me with this opportunity to serve as a young leader.
