JMJ HYDERABAD

NEWS FLASH - 3

YOUTH SHARE-FEST 2025-2026

TThe much-awaited YOUTH SHARE-FEST for the Province of Hyderabad was a landmark event held on August 8th and 9th, 2025, at St. Joseph's Degree College, Kurnool. Bringing together enthusiastic young people from 18 Colleges and Schools, the two-day program resonated with the inspiring theme: "Youth for a Sustainable Future - Shaping the Nation with Resilience and Responsibility." It served as a vital journey of prayer, reflection, learning, and celebration, honoring the spirit of our future change-makers.

Day 1: Lighting the Path

The inaugural day, August 8th, 2025, began with a spiritually rich Inaugural Eucharist led by Msgr. David Arulappa, VG of Kurnool Diocese, with priests and sisters from neighboring communities joining in support. The liturgy was energized by vibrant choir and music. Msgr. Arulappa delivered an inspiring message, encouraging the youth to be the "light to the world and salt of the earth," emphasizing the necessity of helping the needy and shining with God's light to become a strong force in society.

The Opening Ceremony featured a grand welcome by NCC students, a dance by St. Joseph's Degree College, and the lightening of the Kuthuvalak (traditional lamp). The Youth Fest logo was officially unveiled by Rev. Sr. Pauline Nusi, the Provincial Superior. In her keynote address, Sr. Pauline declared that such conventions are powerful platforms where new ideas are born and the spirit of youth is ignited with purpose. She underscored the core message that when Resilience and Responsibility work together, a nation is transformed, with its foundation built in every classroom and convention.

Expert resource persons, including Fr. Joji Yeruva SDB, Fr. Indrajit Gupta SDB, Fr. Nireekshan Dasari SDB, and Mr. Anvesh Kumar Kandula, motivated the youth by discussing the crucial role young people play in moulding a prosperous India. They effectively highlighted global challenges such as poor education, gender inequality, and resource damage, while simultaneously enlightening attendees on the Sustainable Development Goals—focusing on Human Development through Education, Care for the Earth, Eradication of Poverty, and responsible consumption. The evening concluded with a spectacular Cultural Extravaganza, where all institutions showcased their talents through high-spirited skits, mime, and dances on pre-planned themes.

Day 2: Cultivating Inner Strength and Safety

The second day commenced with a session led by Dr. Sreenatha Chary Vangeepuram, a Guinness World Record Holder and internationally recognized life coach. He deeply stirred the youth on the importance of education and facing life's challenges, gifting them a practical Resilience Manthra to guide their future: "I will Never Ever give up," "I will stay positive and work on solution," and "I will allow myself to be happy no matter come what may." This was followed by highly beneficial Interactive Sessions that created a space for open questions, helping students think critically and make confident self-decisions.

In the afternoon, Sr. Joseph Mary Vadlamudi conducted an essential session on Sanora – Safeguarding Minors and Vulnerable Adults. Through videos and clear explanations, she raised vital awareness about personal safety, empowering children to protect themselves and avoid becoming victims of vulnerability—an indispensable message for a happy life.

The event culminated with a moving Evocative Holy Eucharist offered by Most Rev. Bishop Paul Prakash. He delivered a powerful message, urging the youth to emulate Jesus, who at age 12 was focused on His Father's Mission. He inspired them to be fully aware of their goals and achieve them with focused dedication, acting as a lighted candle that gives confidence to those around them. The Fest ended with Rev. Sr. Innamma Yeruva, the College Correspondent, announcing the outstanding cultural performances and awarding prizes, mementos, and participation certificates.

Outcome and Legacy

The 2025 Youth Share-Fest was a resounding success, leaving a deep and lasting impact on all attendees. The event significantly strengthened spiritual and moral foundations, encouraged the discovery of hidden talents, increased awareness of youth roles in the church and society, and successfully fostered networking and new friendships. The youth left motivated to live their mission with courage and joy as leaders of the present era. With the continued support and guidance demonstrated throughout the Fest, the legacy of JMJ lives on, rooted in Love, Joy, and Service.

Sr. Elizabeth Madanu

Youth share Fest-2025

A Celebration of Faith and Unity -Students - Sanathnagar

P. Akshith
10/A (CBSE)

Youth share fest 2025, a two – day youth convention, came alive on 8 and 9th of August 2025 at the campus of St. Joseph's college for women, Kurnool. The two days of convention blended prayer, testimony, music and creative performances, witnessing participation of students across Telangana.

Convention overview:

The event was marked by a beautiful blend of prayer, testimonies, music and creative performances. Students actively participated, sharing their stories, talents and reflections, making the convention both spiritually uplifting and deeply engaging.

Day 1 - Highlights:

- Musical worship set an energizing tone for the convention.
- Testimonies followed sharing personal journeys of faith, challenges and hope.
- Faith teachings and practical workshops provided tools for spiritual growth and leadership.
- The day concluded with an evening of praise music, dance and reflection. Preparing everyone for the next day's deeper encounters.

Day 2 - Highlights:

- Extended worship sessions and scriptural reflections enriched the spiritual atmosphere.
- An eucharistic celebration united all participants in prayer.
- Leadership, peer ministry and faith formation sessions. Empowered youth to carry festival's message back home.
- The festival closed with group prayers, Benediction and commissioning as witnesses of faith.

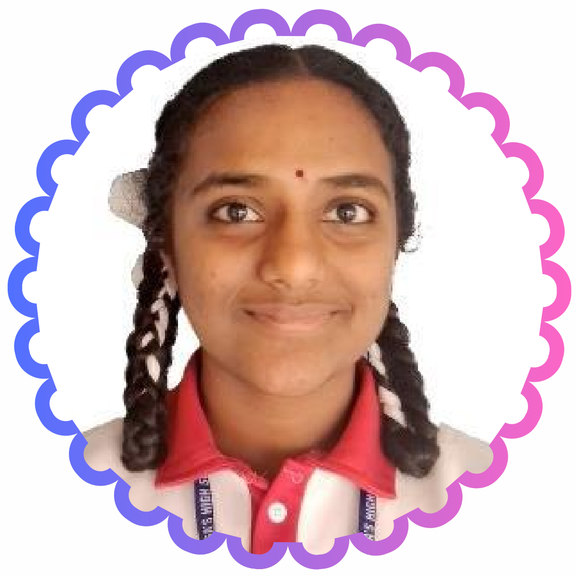

Conclusion:

Youth share fest 2025 was more than just an event – it was a celebration of faith, unity and youth leadership.

These two enriching days left every delegate inspired and motivated to live and share their faith with renewed zeal, the love and service was overwhelmingly blissful.

Our Mindful Journey to Kurnool: -Students - Sanathnagar

When the announcement came that our School was organizing a trip to Kurnool, the air in our Classrooms instantly filled with excitement, bags were packed, checklists were made, and our hearts raised with the thought of exploring the city of stone and history with peers.

M. Akshitha
10/C (State Board)

The journey began with chatter and music on the bus. As the city skyline gave way to rocky landscapes, gentle rain accompanied our entry into Kurnool, as if the clouds themselves had gathered to welcome us.

The Youth share fest was a celebration of voices. The voices filled with wisdom, ideas, knowledge and passion. Every speaker from Sr. Pauline who gave the introductory speech to all the Resources Persons, added a unique thread weaving this colourful and diverse tapestry. Alongside the speeches, thought – provoking questions were answered with confidence, showing the power of youth.

But the fest was not just about word; it was about us moulding into better generation that preserve the environment with sustainability and resilience. It was also about character building and career building, which acted as a lamp in our storms while conserving mother nature.

Evenings were filled with laughter, sharing snacks, singing and exchanging stories. The bond between each of us grew stronger. Somewhere between sightseeing and late nights talks, we discovered that trips are not just about destinations; they are about the people we share them with.

As we returned home, our suitcases were heavier with souvenirs, but our hearts carried something for more valuable, the knowledge and wisdom we gained and all the experiences that will remain etched in our memories. Kurnool was not just a city we visited; it became a chapter in our school life that we will re-visit in our minds for years to come ….

Our Experience of Youth Feast : Students - Suryapet

We, the students of PGF College of Nursing, Suryapet, had the privilege of attending the Youth Feast held at Kurnool, and it was truly an unforgettable experience. The theme of the celebration. "Sustainable Future: Shaping the Nation with Resilience and Responsibility"- gave us not only inspiration but also a clear direction for our lives as young citizens of India.

A Joyful gathering with Purpose:

From the moment we arrived in Kurnool, we were struck by the enthusiasm and energy of the young people gathered from different places. The vibrant songs, cultural dances, and creative performances were not merely for entertainment but were filled with values and messages that touched our hearts.

As nursing students, we felt proud to be part of such a platform where youth could voice their dreams, hopes, and responsibilities for a better future.

Learning the Power of Resilience:

One of the strongest messages we carried home from the feast was about resilience. The talks, testimonies, and skits showed us that life is full of challenges, be it poverty, environmental crisis, social inequality, or personal struggles. Yet, resilience gives us the courage to stand firm, rise after every fall, and keep moving forward. We realized that resilience is not just about surviving, but about thriving with hope, faith, and determination.

Responsibility as a Youth Mission:

The feast also reminded us that responsibility is the foundation of nation-building. As youth, we cannot simply wait for change, we must be the change. Responsibility begins with the smallest actions: protecting nature, speaking the truth, respecting others, and performing our duties sincerely. As nursing students, our professional responsibility is to care for the sick with compassion, but our social responsibility is much greater: to build a society of justice, equality, and sustainability.

Unity that Inspires:

What impressed us most at the Kurnool Youth Feast was the unity among youth. Coming from different colleges, cultures, and backgrounds, we were all united by a common dream—to build a sustainable and resilient nation. This sense of belonging and togetherness gave us great strength and hope for the future.

Conclusion:

Attending the Youth Feast at Kurnool was more than just a cultural or spiritual event; it was a life-changing experience. We returned to Suryapet with renewed energy, stronger faith, and a deeper commitment to live as responsible youth. We carry in our hearts the theme of the Fest: "Sustainable Future: Shaping the Nation with Resilience and Responsibility." It is now our mission to practice these values daily and to contribute, in our own small ways, to the shaping of a brighter and stronger India.

Blossoms of Grace - A Personal Pilgrimage Report

JMJ Jubilee Pilgrimage, Europe - May 2025:

It is with deep joy and gratitude that I share this personal account of our JMJ Jubilee Pilgrimageto Europe, held in May 2025. This journey was a sacred return; to our roots, to the early stirrings of our Congregation, and to the enduring legacy of our Founder, Rev. Fr. Mathias Wolff, SJ. It was my honor to walk this path with 56 JMJ Sisters from our four Indian Provinces and the Region.

A Sacred Return: Mariënburg Monastery and the Journey of Grace:

Journey of the Heart: Reflections on Each Day:

07–09 May 2025 - Netherlands – Our Spiritual Homeland:

We arrived at Amsterdam with full of elated expectations. The joyful reunion of JMJ Sisters from across the continents brought a surge of energy and kinship. That evening, our welcome dinner was not just a meal, it was a celebration of our shared identity and mission.

08.05.2025 - We travelled to Culemborg, the birthplace of our beloved Congregation. Walking the same streets as Fr. Wolff filled my heart with wonder. At the Holy Mass celebrated in his memory, I felt a powerful spiritual connection with our Founder, his Vision, his Courage, and his absolute Trust in Divine Providence.

In Nijmegen, our pilgrimage took a historical turn as we visited war memorials and Churches that bore witness to the suffering and resilience of generations past. These places reminded me how faith endures through trials and how grace finds a way, even in the darkest of times.

09.05.2025 – At the grave of our beloved Holy Founder Rev. Fr. Mathias Wolff S.J.

It was a moment of deeply emotional. We prayed at the grave of Fr. Mathias Wolff, SJ in Heeswijk-Dinther. I placed my hand on his tomb and silently thanked him, for our Charism, for our Legacy, and for his enduring intercession. Our time with the Dutch JMJ Sisters at Cunera De Bongard was filled with warmth and shared joy.

One of the most moving moments for me was our visit to the Mariënburg Monastery in ‘s-Hertogenbosch, Netherlands. Built in 1897, it was once a thriving center of formation and missionary zeal, where young women, full of hope and faith, embraced their call to serve. Today, it is a home to the Jheronimus Academy of Data Science (JADS), a powerful symbol of renewal and transformation. Though its walls now echo with academic discourse rather than religious instruction, the spirit of dedication and purpose remains palpably alive.

As I walked through those historic corridors, I felt a deep reverence—aware that our past is not lost, but transfigured into a different kind of service for today’s world. The legacy of formation endures, even as its outward form evolves. That afternoon visit was a profound reminder that vocation can take many shapes.Late that evening, during prayer at St. John’s Cathedral, I was gifted a quiet moment to reflect in awe and gratitude. Surrounded by the beauty of faith and history, I found myself holding all that I had received so far with a renewed sense of wonder and purpose.

10.05.2025 - Rejoicing in Creation:
God’s beauty unfolded before our eyes in the breathtaking Keukenhof Gardens. The kaleidoscope of Tulips reminded me of the diversity and vibrancy within our own Congregation. It was as if each bloom whispered a Psalm of Praise.Later, we enjoyed a tranquil canal cruise through Amsterdam, a time of lightness, fellowship, and shared reflection. I felt a deep peace settling in me, like still waters beneath the bridges.

12.05.2025 - Lourdes – A River of Healing:
Arriving in Lourdes on 12 May felt like entering sacred ground. At St. Kolbe's Chapel, we celebrated Holy Mass with joy and thanksgiving. It was the birthday of Sr. Jacintha Cheemala Penta, a special moment of joy woven into our day of grace.

We spent time at the Grotto of Our Lady of Lourdes, where Our Lady appeared to St. Bernadette. Standing there, I was moved to tears. It felt like Mother Mary herself was welcoming us home. The evening Eucharistic Adoration and Candlelight Procession were indescribably powerful. Thousands of pilgrims, one light, our hearts lifted up to heaven in quiet unity.

Rome & Assisi – In the Footsteps of the Saints:
14.05.2025 - Eternal City, Ever Ancient, Ever New:
When we arrived in Rome on 14 May, it was like stepping into the living heart of the Church. At St. Peter's Basilica, I was awestruck by Michelangelo's Pietà, a powerful image of love and sorrow. That same day, we witnessed a moment of Church history, the declaration of Pope Leo XIV. What grace to be present at such a time!

15.05.2025 – Catacombs and Courage:
On 15 May, we descended into the Catacombs of St. Callixtus and St. Sebastian, a solemn reminder of the price paid for faith. The Church of Domine Quo Vadis spoke volumes about courage and obedience. That afternoon, we joyfully celebrated the birthday of Sr. Lourdu Nagothu and then participated in our Triple Jubilee Mass at San Giacomo Church, a profound encounter with God's promise through Scripture and the Eucharist.

16.05.2025 – Assisi: A Day of "Peace"
Our journey to Assisi on 16 May felt like a gentle embrace. Here, we prayed at the tomb of St. Francis of Assisi, visited the sacred places of St. Clare, and venerated Blessed Carlo Acutis. The Holy Mass and Sacrament of Confessions brought deep peace and clarity to my spirit.

17.05.2025 – Holy Rome, Holy Ground:
This day, we visited the four Major Basilicas—each a Masterpiece of Faith. I was especially touched by our time at the Abbey of the Three Fountains, where St. Paul was martyred. At the Shrine of Our Lady of Revelation, I felt renewed hope for the future of our mission.

18.05.2025 – At Home in the Generalate:
Our final day brought us to the JMJ Generalate in Rome. We had a solemn Holy Mass in the Chapel of St. Joseph, met with our Superior General and her Council, and shared words, gifts, and joy. Our farewell dinner was filled with laughter and songs. It was a perfect ending to a journey that changed me deeply.

Closing Reflections:
This Pilgrimage, Blossoms of Grace, was more than a physical journey, it was a spiritual renewal. I return with:

- A renewed sense of Purpose
- A deeper connection to the History of our Congregation
- A heart full of gratitude and joy

May the seeds planted during these days blossom into:

- Vocations nurtured in faith
- A stronger commitment to mission
- A deeper unity among us as JMJ Sisters

With Heartfelt gratitude, I offer my sincere thanks to:

- Our Superior General and the General Council for your leadership, vision, and blessing.
- The Provincials and Councils of all four Indian Provinces, whose generous support made this journey possible.
- Our Regional Superior and Team for their coordination and prayerful presence.
- Every JMJ Sister on this pilgrimage, your companionship, prayer and love made this journey unforgettable.
- The JMJ Sisters and guides at Holland, Belgium and Italy, who welcomed us with warmth and grace.

Above all, I thank God, our Shepherd and Guide, who led us through every day with safety, sunshine, and grace upon grace.

Sr. Vijaya Prabhavathi Uppalapati
JMJ Jubilee Pilgrim, May 2025

Healing with compassion, Advancing with Innovation:

The 12th JMJ Health Assembly of India (JMJ HAI) on August 19-20, 2025, was a significant, memorable, and enriching gathering that beautifully combined faith, knowledge, fellowship, and vision. The day began with the Holy Eucharist, grounding the assembly in gratitude and spiritual strength. Healthcare professionals came from different Provinces to review, reflect, and rejuvenate the Healthcare Ministry. The theme chosen for the august assembly, "Surviving, Serving, and Soaring as the Patient's Champion in the AI Era," was apt and fitting for recent times.

The resource persons of the day threw light on the theme: They made us realize that robotic surgery or any other innovative technology is not a distant dream for the mission hospitals. It will be possible for Mission Hospitals to thrive on par with Corporate Hospitals. As we are living in a time of rapid transformation, the rise of Artificial Intelligence in healthcare is re-shaping the way we diagnose, treat, and care for patients. While technology brings speed, precision, and efficiency, it also challenges us to hold firmly to the heart of medicine — the human touch.

As healthcare workers, caregivers, and leaders, we are called to navigate these changes with resilience, embracing innovation while preserving our identity. We are invited to serve with compassion, ensuring that every patient feels seen, heard, and cared for in their moments of vulnerability. And above all, we are challenged to soar — to rise above limitations, using AI not as a replacement but as an empowering partner in our mission to champion the dignity, safety, and well-being of every patient.

In this AI era, being the Patient's Champion means balancing science with empathy, algorithms with ethics, and progress with humanity. When technology and compassion walk hand in hand, healthcare becomes not just advanced but truly healing. The whole day, spent on report presentations, discussions, and deliberations, brought a heart-consoling satisfaction with the progress we are making, while at the same time leaving us in deep thought about how we can be more innovative without compromising the vision of our JMJ Healthcare.

The assembly served as a dynamic platform for collaboration, evaluation, and renewal of commitment. It not only highlighted the strides made in healthcare within the JMJ network but also reaffirmed the Congregation's mission of extending healing and compassion in the spirit of Jesus, Mary, and Jesus.

To conclude, the assembly was both a 'looking back and forward-looking event'. It reaffirmed that while the future of healthcare will undoubtedly be shaped by technological innovations like AI, the heart of healing will always remain a compassionate touch, the hallmark of the JMJ mission. True healthcare is not just about curing diseases but about touching lives with empathy, dignity, and love.

The entire program was indeed a remarkable success. This milestone gathering would not have been possible without the dedicated efforts, foresight, and meticulous planning of the organizing Province of Hyderabad. The participants were amazed to see their portraits being displayed. A very meaningful, inspirational, and festive inaugural session set the stage for dialogue and reflection on the evolving role of healthcare in today's world. The thoughtful inclusion of fellowship breaks of seven-star arrangements with delicious items and a refreshing outing fostered bonding among participants. Dear Sr. Pauline and Council, the Health Care Committee of Hyderabad Province, you have truly helped us to be resilient, to serve with compassion, and soar with renewed commitment as champions of the patients in the AI era.

Thank you one and all, and God bless you all.

Streams in the Desert – Sacred Journey of Grace at- Sirumalai

"He leads me beside still waters, He restores my soul." - Psalm 23:2-3

Through 18 hairpin bends, away from the noise of the world, lies the mount of Sirumalai — green hills wrapped in soft mist, cool breeze whispering peace, and the melodious chirping of birds carrying a hymn of praise to the Creator. The very place draws the heart into prayer, lifting the soul into a spiritual atmosphere.

It was here, in this serene cradle of nature, that twelve of us Tertians from four different Provinces came together, journeying as one family on a sacred path of grace.

Each day at Sirumalai began with the gentle light of sunrise. The sessions were like streams flowing through a desert — refreshing, renewing, and filling our hearts with life. In prayer and reflection, we rediscovered the beauty of our vows, the depth of our commitment, and the richness of community life. Through psycho-sexual-spiritual integration, we learned to look within with honesty, to embrace a balanced way of living, and to manage our inner movements with maturity and grace.

Our hearts burned as we contemplated the mission of Jesus and the challenges of our times. The Charism of CJMJ came alive as we reflected on the missionary zeal of our Founder and Pioneer Sisters, feeling the call to live with that same fire — tenderly yet courageously.

In moments of silence, we discovered that even the smallest pause between two thoughts can hold the mystery of our very being, a sacred space where God dwells. Sessions on the Cost of Discipleship reminded us that following Christ demands everything, yet offers the truest freedom.

Through Intensive Journal work, intimacy with God, and Inner Child Healing, we dared to touch old wounds, allowing His unconditional love to heal and transform us. Social analysis and prophetic hope broadened our vision, urging us to be a voice for the voiceless and bearers of light in places of darkness.

Every input, every sharing, wove us together into a community that was both strong and tender. We learned not to remain in theory, but to live the Gospel in action.

The most transformative moment was the 30-day retreat — the very heart of our journey. Sitting quietly at the feet of the Master, gazing at Him, listening to His voice, we allowed His love to heal our hidden wounds. Strengthened by courage and filled with hope, we surrendered completely to His Will.

The sisters at Sirumalai cared for us in every way — nurturing our souls, safeguarding our health, attending to our needs with kindness, and providing nourishing food. The companionship we shared became a treasure; each sister's life story became a window into God's faithfulness.

As we recall this sacred journey, our hearts are full of gratitude to God, our Good Shepherd. None of this happened because of our merits, but because of His faithfulness. Strengthened by His grace, with eyes fixed on Him, we step forward joyfully, ready to belong to Him forever.

We are deeply grateful to Sr. Mary Karickakunnel and her Council, and to Sr. Pauline Nusi and her Council, for making this journey possible through their constant support. Our heartfelt thanks to Sr. Kochu Mary Chellakudam, who accompanied us and her timely guidance, which enabled us to be more open to God's Will. We owe our gratitude to all our dear sisters in the Province for your unfailing prayerful support.

As we descend from the hill of Sirumalai, we carry the assurance that the God who has made our souls well-watered will keep us blooming wherever He sends us.

Sr. Mamatha Bathula

Our Final Profession – A Day of Grace and Thanksgiving:

On 29th July 2025, we — Srs. Jayamma Kottam, Mamatha Bathula, Nitya Choudhari, and Priya Gond — were privileged to celebrate the most beautiful day of our lives: our Final Profession in the JMJ Hyderabad Province at the Provincialate, Somajiguda, Hyderabad. It was truly a day of grace and thanksgiving, etched forever in our hearts.

The day began at 6.00 am with a beautiful prayer service on the theme "Hearts on Fire, Anchored in Hope", meaningfully prepared and conducted by Srs. Suvarna and Joseph Mary Kata. This spiritual dawn prepared our hearts to enter into the sacred celebration with deep recollection and joy.

The solemn Eucharistic celebration started at 10.30 am with a prayerful entrance hymn as we joyfully led us to the altar, accompanied by our Provincial Superior Sr. Pauline Nusi, her Council, the TPS Directress, and His Eminence Cardinal Poola Anthony, Archbishop of Hyderabad Archdiocese, together with nearly 20 Priests who concelebrated the Mass. Their presence reminded us that we were being lifted up in the prayers of the whole Church.

In his homily, Cardinal Poola Anthony reflected on our theme: "Hearts on Fire, Anchored in Hope." His words inspired us to keep Christ always at the centre of our lives, to live faithfully without seeking worldly recognition, and to bear abundant fruit for God's Kingdom.

One of the most moving moments was when we lay prostrate during the Litany of the Saints. As the prayers of the Church rose up, we felt embraced by the communion of saints and strengthened in our surrender to God. With deep joy, we professed our Vows before Sr. Pauline Nusi, our Provincial Superior, in the presence of our parents, relatives, Priests, and our beloved JMJ sisters.

After the Eucharistic celebration, candles were presented to us by Cardinal Poola Anthony, a symbol of our mission to carry the light of Christ into the world. We then entrusted our lives and mission by praying Consecration to the Holy Family – before Jesus Mary and Joseph.

The joy of the day continued with a group photograph, a cheerful cake-cutting ceremony, and warm felicitations from our Provincial Superior and her council. The celebration culminated in a joyful agape meal, where we shared the happiness of our vocation with all present.

As we recall this sacred day, our hearts overflow with gratitude — to God who called us, to our families who nurtured us, and to our Congregation that lovingly formed us. Truly, our Final Profession was a testimony of God's faithful love and our wholehearted "Yes" to His call.

Sr. Nitya Choudhari

CONGRATULATIONS!

Called to Serve with Love – In Prayer, in Presence, in Action:

We are called not just to believe, but to live our faith through love in action. The theme "Called to Serve with Love – In Prayer, in Presence, in Action" reminds us that true discipleship means giving of ourselves, just as Jesus did.

Service is found not only in big tasks, but in daily prayer, being present and small acts done with love. Jesus teaches us that prayer leads to mission, presence brings healing, and action reveals His love. When we serve with love, we become instruments of God—bringing Christ to others through our words, actions, and presence.

When I look at the Bull of Induction received during the months of April, May, June, covering Numbers 07-15, my heart is filled with both gratitude and a deep sense of responsibility. Each number entrusted to me is more than just a role, it is a personal call to serve with love, humility, and faith. These responsibilities invite me to give more of myself, to grow in commitment, and to be more available for the mission entrusted to me. At first, I felt uncertain and wondering if I could carry all that was given. But deep within, I heard God's gentle voice reminding me that He doesn't call the qualified, He qualifies the called. That gave me strength.

These responsibilities are my offering, my way of saying "Yes" to God and to my Congregation. I take them up with a willing heart, trusting that His grace will guide me each step of the way. The month of May, dedicated to our beloved Mother Mary, was a special time of grace for me. As a community, coming together for the Akhanda Japamala filled our hearts with peace, unity, and a deeper love for our Blessed Mother. Personally, each bead I held in my hand was a quiet surrender—a whisper of trust, a cry for strength, a song of love. The continuous flow of prayer lifted my spirit and reminded me that Mary always walks with us, gently leading us closer to her Son Jesus.

There were moments during the Japamala when I felt deeply connected, not just to Mary, but to my sisters beside me. In silence, in repetition, in shared intention, we were one heart, one soul. This devotion has deepened my inner stillness and renewed my strength to carry on with faith and joy. I now feel more attached in prayer, and more open to receiving the grace that comes through Mary's intercession.

As a community Perpetual Adoration every second Saturday has become a quiet, sacred moment in my life. Sitting before Jesus in the Blessed Sacrament, I feel deeply loved and understood, even without words. It's a time where I bring my joys, struggles, and silence, and somehow leave with peace. Being there with my community makes it even more special, we may not speak, but our hearts pray together. These moments remind me that I'm never alone—Jesus is always there, gently holding me in His presence.

Distributing food to the poor, both from our convent and school, has been a deeply moving experience for me. As we prepared and shared the meals, along with our staff, I felt a quiet joy rising within, a joy that comes not from giving something big, but from sharing with love. This act of service reminded me that even the smallest effort, when done with love, becomes meaningful. It brought our community together, and it reminded me of Christ's words: "Whatever you did for one of the least of these brothers and sisters of Mine, you did for Me." I feel grateful for this opportunity. It has made me to be humble, awakened deeper compassion in me, and strengthened my desire to live the Gospel, not just in prayer, but through action.

CONCLUSION:

In every way, the Jubilee Year was a transformative experience. It was not only a time of prayer and celebration but also a call to action – to walk together as Pilgrims of Hope. These past few months have been a grace-filled journey—through prayer, responsibility, and service. I've come to see that true discipleship isn't occasional, but a way of life. To be "Called to Serve with Love – In Prayer, in Presence, in Action" - saying "Yes" with trust, even when we feel unready. In small acts done with love, Christ becomes visible.

As I move forward, I carry the strength of prayer, the joy of community, and a deeper desire to serve, not out of duty, but with love and joy.

Sr. Roja Anitha Mallavarapu

Dear Sr. Manisha Minj

"Heartfelt Congratulations, on successfully completing your B.Ed! So proud of you and all your hard work.Best wishes for everything that comes next!"

Dear Sr. Divya Bussa
